LIMTECH™

Access Control | Solutions Provider
Time & Attendance

COMPANY PROFILE

Overview

Limtech is a leading provider of CCTV, Access Control and Time & Attendance Solutions, specializing in biometric fingerprint recognition. Limtech has offices in JHB and KZN with regional representation in all major centres around the country. Limtech prides itself on the local manufacture, assembly, customization and support for a large product range of, local and international, hardware and software security solutions.

Limtech Security Solutions offers a complete security solution supporting: hardware solutions, software solutions, system installation, system training and system maintenance. Limtech Security Solutions was founded by Limitless Investments in 1999, Hosken Consolidated Investments (HCI) invested into Limtech in September 2000. Limtech was awarded its Proudly South African Status in 2003.

Shareholding

Hosken Consolidated Investments (HCI) is one of the largest Black Empowerment Companies listed on the Johannesburg Stock Exchange with a market capitalization in excess of R7 billion. HCI is controlled by the South African Clothing and Textile Workers Union (SACTWU).

SACTWU employs over 100,000 previously disadvantaged individuals, of which more than 90% are disadvantaged females. The establishment of the HCI Foundation represents a corporate social responsibility initiative that supports social development nationally. In general, the foundation's objective is to uplift needy communities and individuals, and to enhance the quality of life and opportunities available to employees of subsidiaries and associates of the HCI group.

Some of HCI's other major investments include:

- > e-TV > Tsogo Sun > Johnnic Holdings
- > Golden Arrow Bus Services > Clover Industries
- > Gallagher Estate.
